1 WHEREAS, the Court, during the August 26, 2005 Case Management  
2 Conference, adopted the parties' proposed claim construction case management dates, setting the  
3 date for the parties to file a Joint Claim Construction and Prehearing Statement, pursuant to  
4 Patent L.R. 4-3, on December 16, 2005;

5 WHEREAS, during the Case Management Conference, the Court limited the  
6 number of disputed claim terms it would construe to 10-12 terms and directed the parties to meet  
7 and confer to identify those disputed terms in the context of the claim construction process;

8 WHEREAS, counsel for the parties continue to meet and confer to: (1) identify  
9 the 10-12 disputed terms for the Court to construe; and (2) identify terms and phrases for which  
10 the parties can provide the Court with an agreed upon construction pursuant to Patent L.R. 4-3(a);

11 WHEREAS, the parties jointly request permission to extend the time to file the  
12 Joint Claim Construction and Prehearing Statement to December 28, 2005 in order to allow the  
13 parties to finalize the list of disputed terms and agreed upon terms;

14 WHEREAS, extending the time for the parties to file the Joint Claim Construction  
15 and Prehearing Statement as requested will not effect the schedule for this case, including all  
16 other dates related to the claim construction proceedings.

17 The parties, by and through their undersigned counsel, and subject to the approval  
18 of the Court, STIPULATE AS FOLLOWS:

19 The parties agree to extend the time to file their Joint Claim Construction and
